Verify Division:

The screenshot shows the PALS (Phonological Awareness Literacy Screening) Fall 2014 Score Entry interface. At the top, the PALS logo is displayed next to the text "PHONOLOGICAL AWARENESS LITERACY SCREENING". Below this, a dark gray banner reads "Welcome to the PALS Fall 2014 Score Entry". The main content area is divided into two sections. On the left, there is a button labeled "VERIFY DIVISION" with a person icon. Below this button is a "BACK" link. On the right, there is a section titled "YOUR DIVISION" with a dropdown arrow. Below this title is a light blue box containing the text: "Last school year you had a class in *Testing Division. Are you still in this division?". At the bottom of this section are two buttons: "YES" and "NO", each with a right-pointing arrow icon.

The District Registration Code that you entered is unique to your school district. Both new and returning users see this prompt upon logging in for the first time in a given school year. Please confirm that the prompt is displaying the name of your school district by clicking "YES."

If you HAVE changed school districts:

The screenshot shows the PALS Fall 2014 Score Entry page. At the top, there is a header with the PALS logo and the text "PHONOLOGICAL AWARENESS LITERACY SCREENING". Below the header, a dark grey bar contains the text "Welcome to the PALS Fall 2014 Score Entry". The main content area is divided into two sections. On the left, there is a section titled "DIVISION REGISTRATION CODE" with a red icon of a person. On the right, there is a light blue box with the text "Enter Division Registration Code" followed by a text input field. Below the input field is a red "SAVE" button with a right-pointing arrow icon. At the bottom left of the left section is a red "BACK" button with a left-pointing arrow icon.

Sometimes, a returning user will be in a new school district the following school year. If you clicked "NO" on the previous screen, this page will allow you to enter the registration code for a different school district if that is the case. For new users, though, this is not relevant.

Select your school:

If you have a class at more than one school:

The screenshot shows the PALS Fall 2014 Score Entry interface. At the top, there is a header with the PALS logo and the text "PHONOLOGICAL AWARENESS LITERACY SCREENING". Below the header, a dark grey bar contains the text "Welcome to the PALS Fall 2014 Score Entry". The main content area is divided into two columns. The left column has a section titled "Add a class to" with a dropdown menu set to "*Testing Division". Below this is a "Choose school" dropdown menu set to "Student Data Upload". A list of class options is displayed, each with a "Create" button: "a PreK AM class", "a PreK (Full Day) class", "a Kindergarten AM class", "a Kindergarten PM class", "a Kindergarten (Full Day) class", "a First Grade AM class", "a First Grade PM class", "a First Grade (Full Day) class", "a Second Grade AM class", "a Second Grade PM class", "a Second Grade (Full Day) class", "a Third Grade AM class", "a Third Grade PM class", and "a Third Grade (Full Day) class". The right column has a section titled "Current Class" with a dropdown menu. Below this, there are two "Delete" buttons: "Delete Testing School, PreK AM" and "Delete Student Data Upload, PreK PM". At the bottom of the interface, there are two buttons: "CHANGE DIVISION" and "CONTINUE".

Occasionally, a teacher has classes at more than one site. If, as seen in this example, your AM and PM PreK classes are in different schools, click "create" next to the class at the first school, then use the drop down menu to select another school. The list of class options will appear in full for the second school, from which you can select that class(es) you have there.

Once you are finished choosing your classes, click "CONTINUE" to proceed to your account.
